

Announcement №1

**Conference of young scientists with international participation
«Current issues of pharmacology and medicinal toxicology»**

UiSTEI certificate №137

Dear colleagues!

The scientific and practical conference of young scientists with international participation, which is dedicated to

"Current issues of pharmacology and drug toxicology",
will be held in the period from 25th to 26th of September, 2024.

The host of a conference are

SI "Institute of Pharmacology and Toxicology of the National Academy of Medical Sciences of Ukraine".

All-Ukrainian public organization "Association of Pharmacologists of Ukraine". Maj Institute of Pharmacology Polish Academy of Sciences (Kraków).

The conference will be carried out in *on line mode*.

Conference Agenda

- Search & study of potential medicines.
- Pharmacological and toxicological aspects of medicines action.
- Interactions of medicines.
- Experimental substantiation of optimization technologies of pharmacotherapy of common diseases, including in cases of comorbid pathology.
- Substantiation of medical technologies for the treatment of inflammatory lesions of various etiologies.
- Research in the field of nanopharmacology and pharmaceutical chemistry, issues of the pharmaceutical market.
- Bioethical component of pharmaceuticals research.

FOLLOWING FORMS OF PARTICIPATION IN THE CONFERENCE ARE OFFERED:

1. Oral presentation (10 min) and Poster presentation (3 min *online* with questions in chat).
2. Theses publication (requirements for theses — see Appendix 1).
3. Publication of presentations (oral/poster) materials in the form of an article with provision **doi (Digital object identifier)** in the specialized journal "Pharmacology and Drug Toxicology" (the volume of the article manuscript is up to 12 pages).

The **requirements for article** composing correspond to the requirements posted on the website of the journal "Pharmacology and Drug Toxicology". (available by the link: <https://pharmtox-j.org.ua/index.php/pharmtox-j/about/submissions>).

Official languages of the conference are Ukrainian & English.

All procedures describing experiments involving laboratory animals, works using materials obtained from donors or patients, should be conducted guided by bioethical norms in accordance with the recommendations of the European Convention on the Protection of Vertebrate Animals Used for Research and Other Scientific Purposes (Strasbourg, 1986), Law of Ukraine No. 3447-IV "On the Protection of Animals from Cruelty" (Kyiv, 2006), Declaration of Helsinki (Helsinki, 1964).

Requirements for oral presentations: approximate duration - up to 15 minutes.

Participation in the conference demands completion of a **participant's questionnaire** – see Appendix 2.

In case of having issues related to the organization and holding of the conference, contact to Maxim Munko tel.+38 (068)510-52-43;

e-mail: munandmax@gmail.com; onmi@i.ua

Thank you in advance for participating in the conference!

Sincerely

Chairman of the Organizing Committee,
Director of the State Institution
"Institute of Pharmacology and
Toxicology of the National Academy of
Sciences of Ukraine", doctor of biol. of
science

Oleg YADLOV'SKYI

Co-Chairman of the Organizing Committee,
Chairman of the All-Ukrainian Public
Organization of Pharmacologists of Ukraine
"Association of Pharmacology of Ukraine",
Corresponding Member of the National
Academy of Medical Sciences of Ukraine

Tatyana BUKHTIAROVA

Appendix 1**THE REQUIREMENTS FOR SCIENTIFIC CONFERENCE ABSTRACTS
(THESES) COMPOSING****"PHARMACOLOGY AND DRUG TOXICOLOGY"**

Theses of reports should correspond to the theme of the conference. Languages: Ukrainian, English. Theses are printed with 1 space, in Times New Roman, 12 font. The text of theses **should not contain figures, tables, formulas and references to literature**. The text of report's theses should not be less than 300 characters and not exceed 2500 characters, including spaces. The file name must contain the author's last name in English (for example, *Ivanenko.doc*).

The structure of theses reports: 1) the full title of the work (in capital letters); 2) surnames and initials of the author/authors; 3) full name of the institution, institution(s), city, country; 4) research purpose; 5) materials and methods; 6) research results and discussion; 7) conclusions*.
